- The Mission:** The White Kitty Foundation is a non-profit organization dedicated to the care, nurture, and quality of life of the animals in our community. Through donations and fundraising, the Foundation seeks to shelter, rehabilitate, and nurture animals, regardless of condition, and ultimately find them a home where they can flourish.
- The Vision:** To be singularly focused on the protection and caring of animals that share our community. To have a shelter where the abandoned animals can come and find comfort and security. The organization's process involves rescuing, healing, sheltering and nurturing these animals until they find a welcoming home outside of the shelter. Those animals that do not find a home will always be welcome in The White Kitty Foundation's care.
